## CORPORATE SUMMIT

*Accelerators of Economic Justice*

**September 26, 2024**  
**10:00 AM - 2:00 PM EST**  
**The United Nations HQ**  
**New York City**

Join us for the third annual 2024 Nomi Network Corporate Summit: CEOs, elected officials, investors, philanthropists, and changemakers will unite to further economic justice.

Our focus will be on the intersection of technology, artificial intelligence, and global economic externalities, specifically as it relates to their impact on human trafficking and vulnerable populations. Insightful discussions will bring actionable strategies to strengthen corporate sustainability and workforce development initiatives.

### **Co-Chairs**

Lisa Mantil, *Partner, Global Head of Goldman Sachs ETF Accelerator, Goldman Sachs*

Amy Pierce, *Co-Founder, The Houston 20*

Gavin Power, *EVP, Chief of Sustainable Development and International Affairs, PIMCO*

### **About Nomi Network**

Nomi Network is dedicated to ending human trafficking by providing safe employment pathways for women and girls to break free from cycles of exploitation. Women build social capital and workforce skills to enter employment or entrepreneurship in communities where barriers are highest.

The Annual Corporate Summit showcases the critical business partnerships that create opportunities for women while fulfilling corporate social responsibility objectives. Insightful discussions will bring actionable strategies to accelerate workforce opportunities for survivors and marginalized communities.

## 2024 PANELS

### Technology as an Accelerator

This panel unites technology and AI experts to explore the evolving digital landscape, opportunities and threats to business, and what the acceleration of AI means for vulnerable populations. Our esteemed panelists will offer a fascinating dual perspective - delving into their first-hand experiences adopting cutting-edge technologies while providing visionary insights into the future trends poised to reshape industries.

### Impact of Global Externalities on Economic Justice

This panel examines how natural disasters, displacement from global conflicts, and other global externalities affect businesses and perpetuate human trafficking and other forms of exploitation. Speakers will share their unique perspectives on how their companies mitigate risk while making a positive and sustainable impact where they do business.

## PAST EVENTS

### FROM PREVIOUS ATTENDEES . . .

"This inspiring summit brings together people from so many different walks of life, all committed to one goal: ending human trafficking. It's a wonderful opportunity for sharing, learning, and driving global action forward."

**-Laura Batty, Nomi Network Board of Advisors**

"I left the Nomi Network Corporate summit impressed with their mission, especially the transforming impact on the lives of women around the globe."

**-Michael Okoroafor, McCormick & Company**

"Through years of connection with Nomi Network, I am honored to serve on their Board of Advisors. Their mission, to combat human trafficking by forging pathways to safe employment, is a potent and essential solution. Participating in past summits has been both inspiring and galvanizing."

**-Sarah Hayes, Patagonia**

"The Nomi Network Corporate Summit is an ideal venue to network with business leaders in the corporate responsibility space. Attendees hear from renowned professionals and thought leaders in their respective fields about the newest opportunities and best practices relating to social impact. Any professional interested in learning more about workforce development and connecting with those who are helping eliminate human trafficking should be in attendance."

**-Wendy Bridges, Comerica Bank**
